

## Rural Maryland Prosperity Investment Fund Grant Guidelines and Criteria

### Rural Health Care Organizations

**Overview:** The objective of the Rural Maryland Prosperity Investment Fund is to help raise the overall standard of living in rural areas to a level that meets or exceeds statewide benchmark averages by 2030, while preserving the best aspects of a pastoral heritage and rural way of life. Resources provided to the Fund are designed to facilitate significant targeted investments in important economic and community development programs and promote regional and intergovernmental cooperation. These investments will also enable local and regional public and nonprofit organizations to leverage additional non-state financial and human resources to facilitate the realization of sustainable rural development objectives. The Fund will serve the interests of the entire State by:

- encouraging the increase of entrepreneurial activity and commerce and a balanced economy in the State;
- relieving conditions of unemployment and underemployment in rural areas;
- assisting in the retention of valuable farm and forest land for productive use by present and future generations;
- promoting intergovernmental cooperation and public sector/private sector partnerships in and between rural and other areas;
- enhancing the deployment of housing, transportation, water, wastewater, and broadband communications infrastructure and services in rural areas;
- supporting rural commercial center redevelopment and community revitalization efforts; and
- generally promoting the health, happiness, safety, employment opportunity, and general welfare of the residents of each of the rural counties and municipal corporations of the State.

**Health Care:** Health care access and delivery is a major problem in the State's rural areas. Residents often need to travel great distances to seek health care services due to health workforce shortages. This problem is particularly acute in specialty care such as primary care providers, dentistry, mental health and other medical specialty areas.

Eligible health care projects will include projects pertaining to the following:

- 1) Recruitment and retention of health care providers
  - Programs to aid recruitment of health care providers
  - Rural residency programs in primary care and medical specialties and dentistry
  - Housing projects to support rural rotations of medical students/ health professions students
  - Pipeline programs for health care workers
- 2) Improving access to health and medical/dental care
  - Tele-medicine
  - Transportation
  - Programs that focus on coordination of health care
  - Programs that address population health needs
  - Programs that ensure health care insurance and treatment enrollment
- 3) Behavioral and Mental health
  - Substance abuse, including alcohol, opioids and prescription drugs

- Depression and counseling, suicide prevention
- Domestic abuse and violence
- 4) Chronic disease prevention and management
  - Health education on diabetes, obesity, heart disease, cancers prevalent in rural Maryland, hypertension/high blood pressure
  - Disease management programs
- 5) Oral and Dental health

**Decisions:** Grant award determinations on entrepreneurship, infrastructure and health care applications are made by the independent Maryland Agricultural Education and Rural Development Assistance Fund Grant Review Board set by law and consisting of the Secretaries (or their designee) of the Departments of Agriculture, Business and Economic Development (now Commerce), Health and Mental Hygiene, Housing and Community Development and Natural Resources as well as the Chair (or the designee) of the Rural Maryland Council. Decisions by the MAERDAF Grant Review Board are final and binding.

**Fiscal Year 2017:** For Fiscal Year 2017, the State has budgeted \$277,833 in General Funds for the health care organizations portion of the RMPPIF program.

Please contact the RMC Executive Director at (410) 841-5772 for any administrative guidance. For more background, see: [www.rural.maryland.gov](http://www.rural.maryland.gov)

**Application Deadline: August 15, 2016**  
**Awards will be announced to the public by: October 14, 2016**

## Guidelines and Criteria for FY 2017 RMPIF Grant Applications

**Eligible Applicants:** Applicants must be a local government, institute of higher education, regional council, or be a 501(c)(3) IRS tax designation or similar and serve a regional or statewide rural constituency. Eligible applicants include federally qualified health centers, area health education centers, local health clinics and other rural-serving health organizations. The applicant does not have to be located in a rural area or in the area it serves.

For non-profits, applicants must be in "Good Standing" with the State of Maryland. Go to <http://sdat.resiusa.org/UCC-Charter/Pages/CharterSearch/default.aspx> to find if your organization is in good standing with the State of Maryland. We do not require a copy of the certificate; it is sufficient to provide a screen shot and attach it with your application AS LONG AS IT SHOWS WHETHER THE ENTITY IS CURRENTLY IN GOOD STANDING. An explanation for an entity not in good standing must be included with the application otherwise, the application will be rejected.

**Eligible Projects:** To be eligible, **proposals must be regional (two or more counties) or intergovernmental (meaning two units of government)** and be completed between August 1, 2016 and June 30, 2017.

**Rural counties:** State-determined rural counties are: Allegany, Calvert, Caroline, Carroll, Cecil, Charles, Dorchester, Frederick, Garrett, Harford, Kent, Queen Anne's, St. Mary's, Somerset, Talbot, Washington, Wicomico and Worcester. Regional projects may include non-rural counties; the majority of service must be provided in rural areas.

**Grant Amounts:** There is no maximum grant amount; however the Grant Review Board is optimally seeking to fund up to six projects. Past and current MAERDAF grantees are eligible for a FY 2017 grant if they have met all the requirements of their previous grant agreements, including reporting deadlines.

**Eligible Expenditures:** The MAERDAF Grant Review Board considers each expenditure as it is detailed in the Application Attachment A.

Salaries and Wages are allowable expenses. It is strongly encouraged to include a statement on sustainability for future years.

Administrative costs including construction, leasing and renovation of buildings are eligible expenses. Acquisition of land is not. The purchase or rental of vehicles are eligible expenses. The purchase of equipment is an eligible expense. These administrative expenses should not exceed more than 25% of the grant request.

Meals are allowable if the costs are reasonable and a justification is provided that such activity maintains the continuity of the meeting and to do otherwise will impose arduous conditions on the meeting participants.

Indirect administrative costs are capped at 10%.

**Ineligible Expenditures:** Contributions, donations or subsequent subawards to third parties are ineligible expenses.

Organized fundraising including financial campaigns, solicitation of gifts or bequests, or similar expenses incurred to raise capital or obtain contributions regardless of the purpose for which the funds will be used are ineligible.

**Preferences:** Applicants must have secured matching cash funds from non-state sources. Federal funds are considered matching funds. Organizations that are primarily rural-serving and locally-focused are given preference.

**Changes and Unused Funds:** Only very minor changes in scope are allowed after a grant has been awarded. Some project timelines can also be modified. Unused grant funds must be returned to the Rural Maryland Council no later than July 13, 2017.

**Ranking Criteria:** The Grant Review Board uses the following criteria in reviewing applications.

Basic Criteria: Applicant meets all basic eligibility requirements – it serves a regional (multi-county) or statewide rural constituency (or is a community college).

Applicant has clearly identified a well substantiated need and developed a Scope of Work that clearly describes specific project activities and how a RMPIF grant will be used.

Specific goals and measurable objectives were clearly stated and appear to be achievable. Goals are specific, measurable, achievable, reasonable and time-bound. Its Mission Statement is included and lends itself to the activities and goals addressed in the proposal.

The organization has the experience, expertise and resources to deliver on this scope of work. Operational and line-item budgets were included and seem reasonable.

The applicant has equal matching funds from non-state sources.

Other organizations, businesses, agencies and/or other community-based entities have expressed strong support for the organization's work and planned grant activities. Letters of support and other supportive materials (newspapers articles, etc.) were included.

Project/proposal falls under one or more of the following priorities (entrepreneurship, infrastructure or health care) and clearly defines a designated benchmark and outcome associated with the Rural Maryland Prosperity Investment Fund.

**Grant agreements:** Awardees are required to execute a grant agreement. A sample blank grant agreement is included as Attachment A.

**Record keeping:** Grantees are required to record expenditures and file an interim and final report with the RMC. Reporting guidelines are included as Attachment B.
