First of all, the **deadline to [submit RMPIF/MAERDAF 1-page proposals](#) is due tomorrow, Friday, June 9, 2017 and we look forward to receiving your applications.**

On April 7, 2017, the RMC held a successful Spring Quarterly meeting at the Miller Senate Building in Annapolis, Maryland. Our featured guest speakers were Comptroller Peter Franchot, Lieutenant Governor Boyd Rutherford, and Mr. Bernie Sadusky, Executive Director of the Maryland Association of Colleges. There was much discussion regarding how important rural businesses and agriculture are to the State's economic strength. We would like to thank Secretary Bartenfelder and Secretary Gill for speaking at the meeting as well.

The meeting also focused on the highlights and successes of the Legislative session, and a look toward to the future for rural Maryland communities. We would like to extend a special thank you to [Lyon Distillery](#) and [Maryland Forests Association](#) for sponsoring the meeting. Lyon Distillery, a rural business in Talbot County, provided drink samples for all attendees. Our next Executive Board meeting will be held Friday, September 29th. Stay tuned for the meeting details!

Lastly, the RMC partnered with USDA Rural Development to present the [2017 Regional Rural Broadband Forum on Wednesday, May 24th at the Calvert House in Annapolis, MD](#). The forum offered the opportunity to connect with other regional stakeholders interested in broadband access and discussed ways to maximize available funding for rural broadband initiatives. Breakout sessions included focus on the latest broadband technologies, funding for broadband infrastructure projects, making your community attractive to providers, and using public-private partnerships for broadband development. Slideshow presentations from the event can be viewed [here](#).

Kind Regards,

Josh Hastings

Message from the Executive Director

Save the date!! The RMC biennial rural summit "Bridging the Divide: Strengthening Rural and Urban Communities," will be held on **Friday December 1, 2017 at the Double Tree Hotel in Annapolis, MD**. We are currently looking for sponsors for this event.

We have a wide variety of sponsorship opportunities available on our webpage at <http://rural.maryland.gov/2017-rural-summit/>. All sponsorship levels include name and logo in the printed conference program, name and logo in print and online marketing, and the opportunity to include one promotional item in tote bags!

We are also excited to announce that the Maryland Agricultural Education and Rural Development Assistance Fund (MAERDAF) and Rural Maryland Prosperity Investment Fund (RMPIF) are now open for proposals! **Proposals for both grant programs are due Friday, June 9, 2017.**

Our application process is a little different this year. Phase One of the application process requests a proposal which includes organization information, applicant and project point of contact information, scope of work, and project goals.

Please visit http://rural.maryland.gov/maerdaf_rmpif/ to access instructions, guidelines, and the Call for Proposals form. .

If the Council can be of any assistance, please contact me at charlotte.davis@maryland.gov, or 410.841.5774.

Sincerely,

Charlotte Davis
Executive Director

\$12,794 Grant Funds Awarded to the Civil War Geocaching Trail

The [Heart of the Civil War Heritage Area](#) received a FY17 Maryland Agricultural Education and Rural Development Assistance Fund (MAERDAF) grant to implement a geocaching trail in Western Maryland. The geocaching trail was created with dual purposes: to boost attendance at existing historical sites and to create an economic development impact in the region where they are located. The trail officially opened on October 1, 2016.

"This project impacts five Main Street communities in three counties," says Charlotte Davis, executive director of the Rural Maryland Council. "It's continued economic development effects through visitor spending in Westminster, Taneytown, Mt. Airy, Frederick and Middletown is an important side benefit of a clever history education project. It has been great to see organizations like the Maryland Geocaching Society as well as the multiple historic sites and county tourism offices come together to develop this project."

More than 100 "catchers" attended the official launch of the Heart of the Civil War GeoTrail at the Frederick Visitor Center on October 1, 2016. Photo courtesy of the Heart of the Civil War Heritage Area.

The Maryland Historical Trust recently awarded the Maryland Preservation Award for Excellence in Public Programming to the Heart of the Civil War Heritage Area for the GeoTrail. Learn more about the award [here](#). [Learn more about the Heart of the Civil War GeoTrail.](#)

Rural Maryland Council is an independent state agency and Maryland's federally designated State Rural Development Council under the United States Department of Agriculture's National Rural Development Partnership. Our mission is to bring together federal, state, county, and municipal government officials as well as representatives of the for-profit and nonprofit sectors to identify challenges unique to rural communities and to develop and implement policy solutions. As a collaborative partnership, the RMC operates under the guidance of a 40-member Executive Board, in a nonpartisan and non-discriminatory manner.
