

REQUEST FOR PROPOSAL

Workforce Innovation and Opportunity Act ONE STOP OPERATOR

July 1, 2017-June 30, 2019

Proposal Deadline: May 19, 2017

Western Maryland Consortium

BACKGROUND

The Workforce Innovation and Opportunity Act (WIOA) was signed into law on July 22, 2014 and became effective July 1, 2015. WIOA supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973. WIOA is designed to help both job seekers and businesses. WIOA addresses the needs of job seekers by establishing a workforce system that helps them access employment, education, training and support services to succeed in the labor market. WIOA addresses employer needs by matching them to the skilled workers they need to compete in the global economy.

Section 121(d) of WIOA requires that each Local Board designate a one stop operator.

LOCAL WORKFORCE DEVELOPMENT AREA

The Western Maryland Consortium is the entity responsible for Title I services in Western Maryland. The Western Maryland Consortium is one of 12 workforce development boards across the state that direct federal, state and private funding resources for educational and occupational skills programs. The Western Maryland Consortium is a business-led, policy-setting board that oversees workforce development initiatives in the Local Workforce Development Area (LWDA). The LWDA includes Garrett, Allegany and Washington Counties.

The one-stop system is designed to enhance access to services and improve long-term employment outcomes for individuals seeking assistance. The regulations define the system as consisting of one or more comprehensive, physical American Job Center(s) in a local area that provide the core services specified in WIOA. The LWDA includes one comprehensive one stop center:
