

**Fiscal Year 2020**  
**Maryland Agricultural Education and**  
**Rural Development Assistance Fund (MAERDAF)**

**Grant Guidelines and Criteria**

**Overview:** The Maryland Agricultural Education and Rural Development Assistance Fund (MAERDAF) provides grants to rural-serving nonprofit organizations that promote statewide and regional planning, economic and community development, and agricultural and forestry education. Also eligible are rural community colleges that provide enhanced training and technical assistance to support agricultural and small businesses. The Fund's goal is to increase the overall capacity of rural-serving nonprofit organizations and community colleges to meet a multitude of rural development challenges and to help them establish new public/private partnerships for leveraging non-state sources of funding. The Rural Maryland Council (RMC) serves as the administrative agency in receiving the applications and disbursing the grants to the successful applicants.

**Decisions:** Grant award determinations are made by the independent MAERDAF Grant Review Board set by law and consisting of the Secretaries (or their designee) of the Departments of Agriculture, Business and Economic Development (now Commerce), Health and Mental Hygiene, Housing and Community Development and Natural Resources as well as the Chair (or the designee) of the Rural Maryland Council. Decisions by the MAERDAF Grant Review Board are final and binding.

**Fiscal Year 2020:** For Fiscal Year 2020, the State has budgeted \$680,917.00 in General Funds for the MAERDAF program. The maximum grant amount is \$40,000. Each year, the number of applicants greatly exceed the amount of funding available. Consequently, it is a highly competitive process.

For Fiscal Year 2020, the RMC, as the administrative agent, is encouraging applications that address the following: Agriculture, Energy, Rural Broadband, Healthcare, Youth Engagement and Workforce/Economic Development. Regardless of the project area of focus, the Grant Review Board will give full consideration to any eligible application that is submitted. For examples, please refer to our website at [www.rural.maryland.gov/maerdaf](http://www.rural.maryland.gov/maerdaf)

Please contact the RMC Executive Director at (410) 841-5772 for any administrative guidance. For more background, see: [www.rural.maryland.gov](http://www.rural.maryland.gov)

**Call for Letter of Intent Deadline: Friday, May 31, 2019**  
**Full Application Deadline: Friday, July 26, 2019**  
**Awards will be announced by Monday, August 19, 2019**

## **Guidelines and Criteria for FY 2020 MAERDAF Grant Applications**

**Eligible Applicants:** Applicants must be a 501(c)(3) IRS tax designation or similar and serve a regional or statewide rural constituency. Trade associations are not eligible. Community Colleges, Career Technology Centers, Regional Councils and Libraries are eligible applicants. The applicant does not have to be located in a rural area or in the area it serves.

Applicants must be in “Good Standing” with the State of Maryland. Go to <http://sdat.resiusa.org/UCC-Charter/Pages/CharterSearch/default.aspx> to find if your organization is in good standing with the State of Maryland.

**Eligible Projects:** To be eligible, **proposals must serve more than one rural county** and be completed between August 1, 2019 and June 30, 2020.

**Rural counties:** State-determined rural counties are: Allegany, Calvert, Caroline, Carroll, Cecil, Charles, Dorchester, Frederick, Garrett, Harford, Kent, Queen Anne's, St. Mary's, Somerset, Talbot, Washington, Wicomico and Worcester. Regional projects may include non-rural counties; the majority of service must be provided in rural areas.

**Grant Amounts:** Past and current grantees are eligible for a FY 2020 grant if they have met all the requirements of their previous grant agreements, including reporting deadlines.

**Eligible Expenditures:** The MAERDAF Grant Review Board considers each expenditure as it is detailed in the Application Attachment A.

Salaries and Wages are allowable expenses. It is strongly encouraged to include a statement on sustainability for future years.

Construction and renovation of buildings are eligible expenses. Acquisition of land is not. Please include quotes of expenditures and be shovel-ready.

The purchase or rental of vehicles are eligible expenses.

Meals are allowable if the costs are reasonable and a justification is provided that such activity maintains the continuity of the meeting and to do otherwise will impose arduous conditions on the meeting participants.

Indirect administrative costs are capped at 10%

**Ineligible Expenditures:** Contributions, donations or subsequent subawards to third parties are ineligible expenses. Gift cards are also ineligible.

Organized fundraising including financial campaigns, solicitation of gifts or bequests, or similar expenses incurred to raise capital or obtain contributions regardless of the purpose for which the funds will be used are ineligible. Advocacy and lobbying activities are also ineligible.

**Preferences:** Priority is given to applicants that have secured matching funds from non-state sources; however, matching funds are not required. Federal funds are considered matching funds. Locally-serving community-based organizations have preference.

**Changes and Unused Funds:** Only very minor changes in scope are allowed after a grant has been awarded. Some project timelines can also be modified. Unused grant funds must be returned to the Rural Maryland Council no later than July 13, 2019.

**Ranking Criteria:** The Grant Review Board uses the following criteria in reviewing applications.

Basic Criteria: Applicant meets all basic eligibility requirements – it serves a regional (multi-county) or statewide rural constituency (or is a community college) and holds an appropriate IRS tax designation.

Applicant has clearly identified a well substantiated need and developed a Scope of Work that clearly describes specific project activities and how a MAERDAF grant will be used.

Specific goals and measurable objectives were clearly stated and appear to be achievable. Its Mission Statement is included and lends itself to the activities and goals addressed in the proposal. **Goals are specific, measurable, achievable, realistic, and time-bound.**

The organization has the experience, expertise and resources to deliver on this scope of work. Operational and line-item budgets were included and seem reasonable.

The applicant has equal matching funds from non-state sources.

If there are no matching funds, applicant seems likely to leverage additional financial resources to match the grant. **Priority is given to applicants with in-kind and funding matches.**

Applicant is locally-serving and community-based.

Other organizations, businesses, agencies and/or other community-based entities have expressed strong support for the organization's work and planned grant activities. Letters of support that complement the project narrative are encouraged. Letters of support and other supportive materials (newspapers articles, etc.) were included.

Project/proposal falls under one or more of the following priorities: Agriculture, Youth Engagement, Broadband, Renewable Energy/Biomass Energy, Workforce Development/Entrepreneurship, and Health.

**Grant agreements:** Awardees are required to execute a grant agreement. A sample blank grant agreement is included as Attachment A.

**Record keeping:** Grantees are required to record expenditures and file an interim and final report with the RMC. Reporting guidelines are included as Attachment B.
