

FY2021 Rural Maryland Prosperity Investment Fund

Grant Guidelines and Criteria: Rural Entrepreneurship Development

Overview: The objective of the Rural Maryland Prosperity Investment Fund (RMPIF) is to help raise the overall standard of living in rural areas to a level that meets or exceeds statewide benchmark averages by 2030, while preserving the best aspects of a pastoral heritage and rural way of life. Resources provided to RMPIF are designed to facilitate significant targeted investments in important economic and community development programs and promote regional and intergovernmental cooperation. These investments will also enable local and regional public and nonprofit organizations to leverage additional non-state financial and human resources to facilitate the realization of sustainable rural development objectives. The Fund will serve the interests of the entire State by:

- Encouraging the increase of entrepreneurial activity and commerce and a balanced economy in the State;
- Relieving conditions of unemployment and underemployment in rural areas;
- Assisting in the retention of valuable farm and forest land for productive use by present and future generations;
- Promoting intergovernmental cooperation and public sector/private sector partnerships in and between rural and other areas;
- Enhancing the deployment of housing, transportation, water, wastewater, and broadband communications infrastructure and services in rural areas;
- Supporting rural commercial center redevelopment and community revitalization efforts; and,
- Generally promoting the health, happiness, safety, employment opportunity, and general welfare of the residents of each of the rural counties and municipal corporations of the State.

Entrepreneurship: Between one-third and two-thirds of any economy's growth is attributable to entrepreneurial activity. Finding ways to transform the resourcefulness, innovation and self-reliance that is so often found in rural communities into growing, innovative businesses is a challenge many rural economic development professionals are increasingly embracing as an effective and important strategy for growing the tax base, expanding economic opportunities, and creating sustainable local economies.

Because of the strong correlation between a high level of entrepreneurship and high economic growth, rural entrepreneurship may well be the best economic development option for communities where citizens are typically poorer, older and more isolated from markets than their urban or suburban counterparts.

Traditional economic development strategies that tend to focus on recruiting larger companies to relocate their operations to the region may not work in rural communities which often do not have the infrastructure or skilled or low-wage labor force necessary to attract or keep big employers. Focusing more on helping existing businesses grow and new businesses start offers better long-term prospects for many rural areas.

The Rural Maryland Prosperity Investment Fund will promote entrepreneurship and assist efforts that provide training and technical assistance to the entrepreneurs who can help build prosperous and sustainable rural communities by creating jobs, raising incomes, creating wealth and improving the quality of life.

Rural entrepreneurship development would provide grants for entrepreneurial development activities of rural-serving nonprofit organizations and higher education institutions. Entrepreneurship, a key economic development strategy, supports existing rural business sectors (including agriculture and tourism), as well as innovation in technology and other economic development areas. We strongly encourage building partnerships with rural and urban businesses and entrepreneurs.

Decisions: Grant award determinations on applications are made by the independent Maryland Agricultural Education and Rural Development Assistance Fund Grant Review Board set by law and consisting of the Secretaries (or their designee) of the Departments of Agriculture, Commerce, Health, Housing and Community Development and Natural Resources as well as the Chair (or the designee) of the Rural Maryland Council. Decisions by the RMPIF Grant Review Board are final and binding.

Fiscal Year 2021: For Fiscal Year 2021, the State has budgeted \$1,026,763.00 in General Funds for the entrepreneurship portion of the RMPIF program. However, *grant awards are subject to funding availability.*

Please contact the RMC Executive Director, Charlotte Davis at (410) 841-5772 for any administrative guidance. For more background, see: www.rural.maryland.gov

Guidelines and Criteria for FY2021 Entrepreneurship RMPIF Grant Applications

Eligible Applicants: Applicants must be a local government, institute of higher education, regional council, or be a 501(c)(3) IRS tax designation or similar and serve a regional or statewide rural constituency. Community Colleges, Career Technology Centers, Regional Councils and Libraries are eligible applicants. The applicant does not have to be located in a rural area or in the area it serves.

For non-profits, applicants must be in “Good Standing” with the State of Maryland. Go to <https://egov.maryland.gov/BusinessExpress/EntitySearch> to find if your organization is in good standing with the State of Maryland. We do not require a copy of the certificate; it is sufficient to provide a screen shot and attach it with your application AS LONG AS IT SHOWS WHETHER THE ENTITY IS CURRENTLY IN GOOD STANDING. An explanation for an entity not in good standing must be included with the application otherwise, the application will be rejected.

Eligible Projects: To be eligible, **proposals must be regional (two or more counties) or intergovernmental (meaning two units of government)** and be completed between August 1, 2020 and June 30, 2021.

Rural Counties: State-determined rural counties are the following: Allegany, Calvert, Caroline, Carroll, Cecil, Charles, Dorchester, Frederick, Garrett, Harford, Kent, Queen Anne's, St. Mary's, Somerset, Talbot, Washington, Wicomico and Worcester. Regional projects may include non-rural counties but the majority of service must be provided in the above listed rural areas.

Grant Amounts: *GRANT AWARDS ARE SUBJECT TO FUNDING AVAILABILITY.* There is no maximum grant amount; however, the Grant Review Board would optimally fund six entrepreneurial projects in FY2021. Past and current RMPIF grantees are eligible for a FY2021 grant if they have met all the requirements of their previous grant agreements, including reporting deadlines.

Eligible Expenditures: The Grant Review Board considers each expenditure as it is detailed in the Application, see Attachment A.

- Salaries and Wages are allowable expenses. It is strongly encouraged to include a statement on sustainability for future years.
- Administrative costs including construction, leasing and renovation of buildings are eligible expenses. Acquisition of land is not. The purchase or rental of vehicles are eligible expenses. The purchase of equipment is an eligible expense. These administrative expenses should not exceed more than 25% of the grant request. Quotes for purchases and construction work should be included.
- Meals are allowable if the costs are reasonable and a justification is provided that such activity maintains the continuity of the meeting and to do otherwise will impose arduous conditions on the meeting participants.
- Indirect administrative costs are capped at 10%.

Ineligible Expenditures:

- Contributions, donations or subsequent subawards to third parties are ineligible expenses.
- Gift cards are also ineligible expenditures.
- Organized fundraising including financial campaigns, solicitation of gifts or bequests, or similar expenses incurred to raise capital or obtain contributions regardless of the purpose for which the funds will be used are ineligible. Advocacy and lobbying activities are also ineligible.

Match Requirement: Applicants must secure a minimum 1:3 or 25% cash match funds from non-state sources. Federal funds are considered matching cash funds. A stronger cash match will result in a higher score on the grant evaluation. RMPIF funds will not be released until proof of a match is submitted.

Changes and Unused Funds: Only very minor changes in scope are allowed after a grant has been awarded. Some project timelines can also be modified. Unused grant funds must be returned to the Rural Maryland Council no later than July 13, 2021.

Ranking Criteria: The Grant Review Board uses the following criteria in reviewing applications.

1. **Basic Criteria:** Applicant meets all basic eligibility requirements – it serves a regional (multi-county) or statewide rural constituency; is a community college or institution of higher education; or is intergovernmental.
2. Applicant has clearly identified a well substantiated need and developed a Scope of Work that clearly describes specific project activities and how a RMPIF grant will be used.
3. Proposal will significantly impact the quality of living in rural Maryland. Proposal demonstrates substantial value and lasting impact by providing information which includes relevant background research, opportunities for replication, and a statement of impact.
4. Specific goals and measurable objectives were clearly stated and appear to be achievable. Goals are specific, measurable, achievable, reasonable and time-bound. Its Mission Statement is included and lends itself to the activities and goals addressed in the proposal.
5. The organization has the experience, expertise and resources to deliver on this scope of work. Operational and line-item budgets were included and seem reasonable.
6. The applicant has 1:3 or 25% cash match funds from non-state sources.
7. Other organizations, businesses, agencies and/or other community-based entities have expressed strong support for the organization's work and planned grant activities. Letters of support and other supportive materials (newspapers articles, etc.) were included.
8. Project/proposal falls under one or more of the following priorities (entrepreneurship, infrastructure or health care) and clearly defines a designated benchmark and outcome associated with the Rural Maryland Prosperity Investment Fund.

Grant agreements: Awardees are required to execute a grant agreement. A sample blank grant agreement is included as Attachment A.

Record keeping: Grantees are required to record expenditures and file an interim and final report with the RMC. Reporting guidelines are included as Attachment B.
