Agenda

10:00 AM	Welcome: Dr. Kate Everts
10:05 AM	Introductions
10:15 AM	Discussion—Question 1: From your perspective, what are the top two or three current and emerging challenges and issues (agricultural, natural resources, environmental) facing the state? Please consider both near-term and long-term issues.
10:35 AM	Discussion—Question 2: Please share the top two or three information and research needs which limit the ability to address and solve the state’s challenges.
10:55 AM	Discussion—Question 3: What are services or resources that need to be addressed to increase progress towards the goals?
11:15 AM	Discussion—Question 4: How have climate change impacts on agriculture, natural resources, and the environment changed the concerns of your stakeholders or your research or advocacy? Additionally, what future challenges from climate change do you anticipate you will need to address in the future?
11:35 AM	Discussion Summary
12:00 PM	Meeting Closure
