**Committee Mission**

*The RMC Youth Engagement Committee is dedicated to empowering young people in rural communities by creating opportunities for leadership, education, and civic participation. Our mission is to foster a sense of belonging, amplify youth voices, and support sustainable development through inclusive programs, mentorship, and community collaboration. We strive to ensure that rural youth are equipped, inspired, and connected to shape the future of their communities.*

**Expected Committee Outcomes**

- Track youth engagement initiatives and identify potential cases or programs for resources and development
- Identify and promote innovative summer enrichment or workforce development programs across the State
- Identify counties and school districts for potential expansion of the youth engagement project
- Work with local governments on identifying local boards and commissions to include student members
- Organize and implement a student Rural Maryland Day in Annapolis
